

## SPONSORSHIP PROGRAM

The Seminole Chiefs Sponsorship Program provides local business and individuals with amazing opportunity for exposure in the community. Throughout the season, Seminole has at least six home games with a minimum of ten teams from surrounding communities competing during each home game, not to mention the exposure gained almost every evening of the year at football, cheerleading, soccer and baseball practice on the SYAA fields. Best of all, your donation is completely tax deductible. Our generous sponsors assist us in providing the children with uniforms, equipment, supplies, trophies and safe environment in which to play.
