

To whom it may concern:

I am writing to you on behalf of the Seminole Chiefs Football and Cheerleading organization. Our season is just beginning and we are already registering players. As a league, we provide scholarships for athletes who are unable to pay the cost of registration for football and/or cheerleading. Over the years, we have depended on donations to help a limited number of families who could not afford to pay. This season, our hope is to provide as many scholarships as possible to help a large number of families who would not be able to participate otherwise. Therefore, the money you donate will allow us to offset some of the expenditures by allowing these athletes to play on scholarship funds.

We were hoping you would consider becoming a Seminole Chiefs Sponsor for the 2017 season. Sponsors of the Seminole Chiefs will be given a posting on our website and a shout-out during all home games. Any donations over \$500 will also have a 4'x8' banner hung at the Seminole Chiefs field. Your donations will be used only for scholarships for families that need assistance.

Thank you for your time and your consideration and we appreciate your support.

Sincerely,

Chris Taylor
President

Seminole Chiefs Football and Cheerleading Organization
